Regulation: (EU) 2025/40 (PPWR)

JUMITECH

DECLARATION OF CONFORMITY

for packaging pursuant to Regulation (EU) 2025/40 of the European Parliament and of the Council
of 19 December 2024 on packaging and packaging waste (PPWR)

Packaging reference: **KAR3760** · Issue date: 10 August 2026 · Revision: 2026-08

Jumitech ApS declares, under its sole responsibility, that the packaging identified below — placed on the European Union market — is in conformity with the applicable requirements of Regulation (EU) 2025/40 (PPWR). This declaration consolidates the compliance information provided by the packaging manufacturer (section 7) and is issued to inform Jumitech's business customers.

1 · ISSUING COMPANY

Company	Jumitech ApS
Address	Snedkervej 2B, 4600 Koege, Denmark
Contact	Salg@jumitech.dk · T +45 20205254 · www.jumitech.dk
Date of issue	10 August 2026

2 · PACKAGING IDENTIFICATION

Jumitech packaging reference	KAR3760
Article name	Carton Box Euro switch
Packaging type	Folding box, solid board
Definition per Art. 3 PPWR	● Primary / sales packaging ○ Grouped / secondary packaging ○ Transport / tertiary packaging ○ E-commerce packaging ○ Service packaging
Dimensions	85 x 85 x 30 mm
Weight per unit	0.0105 kg (10,5 g)
Printing / colour	No printing (unprinted)
Intended reuse	No — single-use packaging
Food contact	No — not intended for direct food contact.

3 · MATERIAL COMPOSITION

Material group	Paper and board
Material (detailed)	Solid bleached board (SSB) with BOPP lamination
Material identification code	C/PAP 21
Recycled content	0% (100% Virgin wood pulp)
Separable materials	Composite materiel / paperboard with non-separable BOPP plastic film

4 · CONFORMITY WITH PPWR SUBSTANCE REQUIREMENTS (ART. 5)

Heavy metals — Art. 5(3)	The manufacturer declares that the combined concentration of lead, cadmium, mercury and hexavalent chromium does not exceed 100 mg/kg.
Additional regulatory information	The packaging complies with the applicable PPWR requirements regarding restricted substances, as confirmed in the packaging manufacturer's declaration of conformity.
PFAS — Art. 5(5)	Not applicable — the packaging is not intended for direct food contact (Art. 5(5)).

5 · SUSTAINABILITY REQUIREMENTS & HARMONISED STANDARDS

Recycled content — Art. 6	0% (100% Virgin wood pulp)
Minimisation — Art. 10	Packaging weight and volume are minimised to the amount necessary for functionality, protection and acceptance; no unnecessary layers.
Recyclability — EN 13430	Recyclable per EN 13430 — unprinted, solid bleached board with BOPP film lamination (C/PAP 21). Recyclability is limited due to non-dissolvable plastic film during paper repulping. Design-for-recycling grade: red level /Grade C (Preliminary self-assessment under PPWR Art. 6)
Applied harmonised standards	EN 13428 — prevention by source reduction; EN 13430 — recoverability through material recycling.

6 · EXTENDED PRODUCER RESPONSIBILITY (EPR)

Jumitech ApS fulfils its extended producer responsibility obligations for the packaging it places on the market, in accordance with Regulation (EU) 2025/40 and the applicable national law of the respective Member State. Information enabling separate collection and recycling is provided.

7 · TECHNICAL DOCUMENTATION & BASIS OF DECLARATION

Technical documentation supporting this declaration is drawn up and retained by Jumitech ApS for at least five years after the packaging is placed on the market (Annex VII PPWR). This declaration is based on the packaging manufacturer's declaration of conformity, Jumitech's packaging master data, and the dimensioned technical drawing (Appendix 1: jumi_80x70x70mm_KAR3762.pdf).

8 · SIGNATURE

Signed for and on behalf of: **Jumitech ApS**

Place and date of issue	Køge, 10 August 2026
Name of signatory	jn@jumitech.dk
Function	Quality & Sustainability

This document was created electronically and is valid without a signature.

This declaration of conformity is issued under the sole responsibility of Jumitech ApS and reflects the information available from the packaging manufacturer at the date of issue. It applies to the packaging identified above and its specified use. PPWR substance and sustainability requirements apply from 12 August 2026.
